

Kathleen Riley

August 8, 2015

Kathleen Riley (maiden name Duffy), 54, of Pilesgrove, NJ passed away on August 8, 2015.

To summarize a person's life with a few lines of text is an impossible task. She was incredibly generous, empathetic, and compassionate but anyone who met her knew that within moments.

Kathy was born in Albany, New York. She attended Clarkson University where she studied Civil Engineering. She spent several years working as an engineer but left the field to spend more time with her family. It wasn't until years later that she discovered her true passion—working with special needs children. Kathy spent her later years teaching and, as she would attest, learning from the wonderful students at the Mary S. Shoemaker School and later the William Roper Early Childhood Learning Center in Woodstown. Her memory will live on in the hearts and minds of those children as well as in those of the countless others whose lives she has touched.

Kathy is survived by her husband Tim, children: Zachary, Molly and Seamus, parents: Joseph Duffy and Gisela Duffy, siblings: Angie Bader, Lori Foster, David Duffy, Jimmy Duffy, Andy Duffy, Patricia Bardua, and Eddie Duffy as well as many more family members and friends.

The family invites you to join in a celebration of Kathy's life on Wednesday, August 12, 2015 at the Woodstown Presbyterian Church, 46 Auburn St., Woodstown, NJ 08098. The visitation will begin at 9 AM with the service following at 12 PM. Interment will be private. In lieu of flowers, the family will be establishing a Scholarship in Kathy's memory. Please contact Tracy Pontano at Fulton Bank of New Jersey for further information. www.adamsfuneralhome.org

“ *The moment I met Kathy, who remained my roommate for the next 4 Years at Clarkson and remained my friend for life, I knew that she was a very special person. Always kind, very fun and loving and giving. The moment Kathy and I met Pam that same night we bonded like sisters. A big shout out to Chip Hills as well who made that first night at Clarkson a lot of fun by introducing us to the Whiskey One. :)*
