“ I am so sorry to hear of this beautiful lady loosing the fight for her life. Even tho she never felt well...she always took the time to ask me how I was feeling and how my family is doing. I honestly enjoyed spending time with her and her family and I do pray that God eases their pain. She didn't love anything as much as she loved her family!! She will be missed. God Bless you All ~

“ I was just 9 years old when I first met Kathy; she was 19. But she never treated me like I was a child. Kathy was always genuinely interested in what I was feeling, and what I had to say. She treated me like a little sister and a friend. I can still remember riding with her in her car singing Dancing Queen at the top of our lungs. And over the years, we saw each other infrequently, but we always picked up as though we had just seen each other. And of course, Kathy would always say " I love ya Don ". She cared and she loved...and she will forever be in my heart.
