“ We had the pleasure of having Kelly in our lives since June of 23. She became our sister-in-law in May of 24. We had almost three years of this beautiful lady in our lives and she sure was the best. Always smiling, always in a good mood and lit up every room when she walked in.

She was an amazing person who TRULY made my brother David the happiest I have ever seen him. They were made for each other.

In the few short years we had her she sure gave us a lifetime of smiles that we will remember forever.

Kelly we want you to know u were truly loved by all and we will take care of our brother, but I ask you to walk with him and keep him strong.

Till we meet again, I love you!!!!
