

Kenneth Charles Brown II

June 20, 2021

Kenneth (Kenny) Charles Brown II, age 48, of Carneys Point passed away on June 20, 2021. Kenny was born in Chester, PA on June 19, 1973 the son of and survived by Marie (Carrafa) Brown of Pennsville and Kenneth Charles Brown of Pennsylvania, Kenneth has one sibling, his sister, Jennifer Brown Rambo.

Kenny was raised in NJ where he graduated from Pennsville Memorial High School in 1992. He continued his education at the Salem County Vo-Tech and Del Tech for Welding. Kenny started his career at the Salem County Road Department where he still worked at this time. During this time he also met the one and only woman for him (as he told everyone) Kimberly Cline Brown (Kimmy).

Kenneth is survived by his wife of 23 years, Kimberly and his best friend and son Michael K. Brown. Sister in law Bobbie Lieggi and husband Chris Lieggi, nieces & nephews, his Mother and Father in law, many Aunts, Uncles & Cousins on both sides, and many close friends and neighbors who will miss him greatly.

Kenny will never be forgotten because of many reasons, one being the weekends that you could hear Metallica and Mötley Crüe blaring from his house across the highway. He had many nicknames and wore many hats.

These names were loved by all, especially him.

The most common nicknames being Downtown Kenny Brown, Baby Kenny, Big K, and KB. The name he loved and cherished the most was Coach Ken. Kenny coached Michael since he started sports. He was a lover of all sports, especially Hockey, Football, Wrestling and Baseball. He loved the Giants, they were his favorite football team his whole life and when they won, which was often, we knew we would never hear the end of it. He loved coaching little league and his team loved him. He was always driving a truck full of kids home, practice or to a game. The kids knew if they didn't have a ride "Big Red" would pull up to get them. Kenny really had a heart of gold. This always showed when it had anything to do with Michael. They were best friends and neither was ashamed to say it. You rarely saw Kenny without Michael by his side from a baby to the strong, smart man he is today. He loved family which included his friends, neighbors etc. If you were in Kenny's life, YOU WERE FAMILY. He treated everyone the same. He will be missed by everyone that knew him, and if you knew him, you had to love him.

A celebration of Kenny's life will be held on Thursday, July 1, 2021 at Adams Funeral Home, 64 Broad Street, Woodstown, NJ 08098. There will be a visitation from 4:30 to 6 PM followed by the memorial service at 6 PM. In lieu of flowers, please stop by the house or call to check in on Kimmy and Michael. Kenny would be thrilled to know they are being taken care of.

“ Too many memories to share Kenny, I am trying to accept that nothing will ever be the same. I hope you're in a happy place because you deserve to be. We will always take care of Kimmy and Michael. You raised such a great man, he is honestly the living proof of what a great Dad you were. Until we meet again Brother-in-law!

“ I was known as Ms D. When I worked at the Princeville middle school. Kenny was one of my favorite students there. There are only a few students that steal a piece of your heart and he was one of them. I met him as an adult in August 2020 at my grandson Thomas Data birthday party and graduation party. I remember our conversation so vividly and what a great person he had become and always was. His son is like a clone of him my heart goes out to his family and friends. He has taken a small piece of my heart with him. Love and hugs to all his family and friends
