“ *Kevin was one of the funniest guys I never knew. When Kevin was a teenager, he cleaned our pool for a couple of summers. But I feel like I came to know him, almost personally because of the many, many funny stories his sister Janeen kept me entertained with! Kevin could have been a stand up comedian. He was hysterically funny, and I only knew of his wit second hand. I can't tell you how much his sayings and antics have made me laugh! And Cole was just like his daddy; he had that funny, witty, same sense of humor. How blessed are the ones who had the joy of knowing them and having them in their lives, they will never be forgotten.*
