

Kristofer Noone

September 19, 2022

Kristofer Noone was a phenomenal son, brother, and uncle. Kris left this world suddenly on September 19, 2022 alongside his father John Noone III (aka Moose) doing what he loved most: flying. He leaves behind his heartbroken mother Terri Cooper (“Momma Noone”), his loving brothers John Noone (aka JC, wife Jenai), Nick (wife Tracy), his adoring sister Alanna—who he loved doing tik toks with, and his soulmate Hannah Sodano.

Uncle Kris loved spending time with his nieces and nephews: Jack, Gemma, Harry, Scarlett, and Lincoln. His brilliant smile would light up any room. Everything Kris did and anyone who knew him was blessed with his upbeat and joyful attitude. Kris was a classy gentleman who always had a smile on his face. Aviation was not only his profession, but also his most enjoyable hobby and love. Kris was an astonishingly accomplished pilot at his age as a flight instructor at Infinity, a commercial pilot for Piedmont, and then finally as a pilot with Spirit where he found his home. Kris absolutely loved flying the Airbus and was his proudest achievement.

Kris’s zest and passion for life, family, and friends (the gang) was immeasurable. Everyone who had the pleasure of knowing this brilliant young man knows how remarkable he was. Whether Kris was playing golf, disc golf, tailgating the Eagles game, or playing cornhole, Kris was the highlight of any gathering. While Kris’s time on Earth was short, he lived his life to the fullest.

May his kindness, class, passion, love, positivity, and hard work be a guide for those he left behind. Fly high Kris, until we meet again.

On September 28, 2022 there will be a time to gather and celebrate Kristofer's and Moose's lives at the Bucks Airport, 19 Parvin Mill Road, Bridgeton, NJ 08302. Starting at 12 PM and lasting until 2 PM there will be a time for family and friends to share stories and memories about the two of them and how they impacted your life. The celebration will continue after 2 PM, the family would like everyone to stick around to mingle and to continue to share stories. In lieu of flowers, please consider donating to the Go Fund Me page, The Noone Family, <https://gofund.me/bd580ce9>, to help with the funeral services and to help create a non-profit organization for aspiring pilots. www.adamsfuneralhome.org

“ I was blessed to work with Kris at Infinity. I am so saddened that this world has lost one of the friendliest and classiest guys. He was always a gentleman with a sweet spirit. My heart aches for his close friends and family, especially his mom, as you all say goodbye to him and his dad. My prayers are with you all often. In the hardest moments, may the comfort of Jesus meet you and be your strength. I am here if you ever need a shoulder to cry on, a listening ear, or a prayer to be prayed.

“ I had the pleasure of taking Kris and my son Dan, a fellow instructor at Infinity and pilot for Piedmont, to Oshkosh in 2017. Kris's smile and laughter were contagious. A nicer young man I had never met. We had an awesome few days there including a fun ride in a 1929 Ford Trimotor.

On behalf of our entire family, please accept our sincerest condolences. There are really no words adequate enough to express such grief. Please know that you are all in our prayers. May our Lord and Savior Jesus grant Kris and his father eternal rest and may the peace of our Lord fill your hearts.

High Flight

By John Gillespie Magee Jr.

*"Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
of sun-split clouds,—and done a hundred things
You have not dreamed of—wheeled and soared and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air*

*Up, up the long, delirious, burning blue
I've topped the wind-swept heights with easy grace
Where never lark nor ever eagle flew—
And, while with silent lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God."*

“ Dear Noone Family - please accept our sincerest condolences on your unfathomable loss. We did not know your son, but our son is a First Officer for a national airline (and he remembers flying with Kristofer). In fact they sat next to each other during their flight and Kristofer's name is in my son's flying logbook. May both father and son fly high and may their souls rest in peace. Yours in deepest condolence,
The Kanga Family (Cherry Hill, NJ)

“ *This is not real. Nooner, I already miss you so much. I miss that laugh of yours, the cowboy boots, the belt buckle, watching you love Han, your family, your boys. I wish you could see the way your army came together. We got your girl, we got each other. We just wish we had you. I'll always hold you in a special place in my heart. I love you.*

To the Noone family, I love you. I'm here for you. Terri, you raised a helluva kid, one who's legacy will literally never, ever be forgotten.

Sending you so many hugs.

Fly high, our guy.
