“ Terry, Fred, Fred Jr. and Bryan,

We are blessed to have had our hearts touched by an Angel... Kristy was a wonderful, strong-willed, beautiful and compassionate person and truly was a role model for all that knew her. She will be missed but her memories will go on. You guys gave Kristy your all in physical, mental and emotional support. She was always so happy to have all her family, friends and students surround her. Kristy always had a smile on her face no matter what life threw at her, she never let her illness stop her from touching others hearts and we were all blessed to have known her. Please remember Kristy got her courage and strength from all of you and she is now helping you guys have the courage and strength to get through this hard time, as you did for her. We love you all and are here for you too.

also, to see all of Kristy's closest girlfriends, Bryan's friends and Bryan's family helping so much makes you realize even more how blessed Kristy was to have all of you. God bless all of you and we will keep you in our prayers. Kristy was an Angel and now is your guardian Angel that will be with you always.##imported-begin##Shauna & Jon Malone##imported-end##

“ Terry and Family

Words cannot express the sadness of your loss. Kristy was such an amazing, courageous person, a fighter. It's such a hard time to go through and I just want to let you guys know whatever the need may be I will always be here for you all and none of you are alone. Kristy was the type of person that would give the shirt of her back for you. I remember when I found out about her, I was willing to shave my head for her and I meant it. I would have if she needed me to. It's true that only the good die young. Why would God want you any other way? Terry you know my Mom is going to take care of Kristy like one of her own. I'm sure there's plenty of loved ones with her. I love you and if you need anyone or anything I am here for you.
With Deepest Sympathy

Kristy's passing leaves me with an overwhelming sense of sadness. She was a classmate of mine, who was loved by everyone...someone many people shared the joy of growing up with. “ My thoughts and prayers are with you.

Kristy was a bright, smiling and cheerful beam of sunshine in our hallway at school. The children loved her because Kristy was kind and gentle with them and we loved everything about her! I am so glad I had the chance to know Kristy. Her spirit will continue to inspire all who were touched by her joy and courage.

Praying for you . . .it was always so evident that Kristy had you with her, giving her that joy and strength that she so readily shared with us!###imported-begin###Diana Cintron###imported-end###

“ Dear Fred, Terry, Fred Jr. and Brian,
Kristy will be missed by my family very much. She was always at our family functions and was with us on some of our vacations. She was more than just a friend. Everyday at work she stood by the front door and greeted teachers and students as they came in the school to start their day. It will not be the same. She was a beautiful girl. My family sends their prayers and sympathies to you. Together you gave all you could give and she fought the disease and never complained. She is at peace in heaven.##imported-begin##Lois Marcasciano##imported-end##

“ Terry and Fred,

As you know, I have had the honor of working with Kristy on the Relay For Life committee for the last 3-1/2 years. She was both an inspiration and a joy to each of us who knew her. Her warmth and smile were contagious, and I was always amazed by her strength and determination. Our community has lost a very beautiful and special young woman. I am so glad I got to know her during her short time here on earth. Please know that my thoughts and prayers are with your family during this time.##imported-begin##Melissa Conover##imported-end##
