

Leroy E. Bevis

December 28, 2021

Leroy Bevis, 63, of Carneys Point passed away on December 27, 2021. Born in Salem County, Leroy was the son of Edward S. & Helen Louise (Nelson) Bevis. He was a bus mechanic for Wyshinski Bus Company along with working in construction for years. Roy was an exceptional heavy construction equipment operator working several years in construction with his dad and brother John. As a hobby, he collected all the toy models of equipment that he ran.

Roy had a passion for driving tractor trailers, especially when he had the opportunity to take long hauls to Texas and Florida. He enjoyed doing small engine repairs in his later years, his favorite thing was to fix and repair lawn mowers. He loved farming, and he worked many years for local farmers. Roy had what some might call a green thumb, every summer he would grow Jersey tomatoes and basil out by his porch.

Roy had a way with people, always lending a helping hand or cracking a joke to brighten up their day. He always enjoyed meeting new people and creating new friendships but like many, Roy was one that appreciated the relaxing moments in life that allowed for him to watch his favorite television shows.

He is survived by his daughter Ashley Brooke Whitzell, siblings John (Bernadine) Bevis, Edward (Brenda) Bevis, Anne (Joe) Vasta, and sister in

law Bobbi Dee Bevis; his ex-wife and dear friend Mary Hawks; his nephews Brian, Kevin, Justin, Josh and Michael, his niece Casey; his step children Joseph, Amanda & her husband Mike, Nichole & her husband Jeremey, Brooke, and Amber & her husband Derek along with their two daughters Ava & Aubree; and his two step sons Tommy Clauso and Jeffrey Clauso.

He was predeceased by his parents, Edward S. & Helen Louise Bevis; his wife Georgianne Bevis (née Miller); his brother Robert Bevis, and his nephew Timmy Bevis.

Services are private and at the convenience of the family.

“ Roy was my baby brother, yet in many ways he always acted older than me. He always gave me great advise when I needed it, and I always had a shoulder to lean on when needed. Roy lived driving tractor trailers, I remember riding with him and I'd talk so much to keep him company I'd lose my voice. Every sister should be so lucky to have a brother like Roy. We will miss you Roy but you'll never be forgotten. You touched many lives and made many friends. We love you! Anne and Joe
