“ I had the pleasure of meeting Roy through my mother Catherine and found him to be friendly and courteous. After my mom's passing Roy was there to help me through that difficult time. It was at this time I came to find out what a wonderful man he truly was. He not only was my "Tax Man" but he became my friend and sometimes my confidant. He really was an amazing person and will be greatly missed.

“*Mrs. Thumlert and Family.. My sincere condolences on the passing of Roy. Although I only met Roy on a couple occasions when he visited our Comcast store in Turnersville, I found him to be a very fine gentleman and extremely personable. I found that nothing really ever bothered him and he was just a very nice individual. I can tell from our few conversations for him it was about family and friendships. I was very shocked to read of his passing. This world lost a great man from what I have come to know of him. May he now rest eternally with the angels until you all meet him again. God Bless You All.*
