“ This is news that saddens my heart. Linda is an exceptional woman. Almost 40 years ago I was a teenager. Linda and her family welcomed me into their home and the days we shared remain the beautiful days of my youth. The Amme family is an extraordinary and generous family where they integrated me into their home Linda wanted me to stay and study with them . I returned to France but since then we have kept in touch. Linda, you are gone but I will not forget you, you are in my heart like the little mother of the USA. RiP Linda

“ I'm sorry for the families loss. Linda was my matron of honor. I was her maid of honor the week before. Her mother sewed my attendance dresses. Linda was so very active and always caring for people. Thank you Ron for letting me know of her passing. Continuing to pray for the family during this difficult time.

“ Linda was a hard worker and compassionate person. She was always willing to help at church and in the community. She also had a deep concern for children. She is already greatly missed.

“ I have memories of Aunt Linda going way, way back. She was my mom's college friend and Matron of Honor. I've had deep connections to the family & Dianna and I being born on same day! I have so many memories I could share... but she was always a strong, willful lady. She will be missed. She's now reunited with my parents in Heaven!
