

## Linda Massey

March 21, 2014

A loving and devoted mother, Linda Massey, 52, passed away unexpectedly in the early morning hours of Friday, March 21, 2014. Born in Philadelphia, Linda grew up in New Jersey, but also spent some of her life in Maryland. She currently resided in Carneys Point.

Linda was always quick to help others. Many considered her a friend. Happy with going down to the shore or even just sitting and watching a good TV show with her little dog, Scruffy.

She deeply cherished the greatest gift in her life, her son. Her life mate Kirby, son Timothy Massey, her family and many friends, will truly miss her.

Linda believed in the organ donor program and according to her wishes, her eyes along with other tissues would be used to help others in need. Her loved ones encourage everyone to select the Organ Donor choice on their driver's license.

Services will be private. Donations in her memory may be made to Gift Of Life @ [www.donors1.org/about-us/contribute](http://www.donors1.org/about-us/contribute). [www.adamsfuneralhome.org](http://www.adamsfuneralhome.org)
