“ I worked along side Loren at Dupont for a few years of his career. And I want say that Loren was the nicest, pleasant person I ever worked with at Dupont and I was their almost 34 years. Honestly, there was never a day that I can remember that Loren did not have a huge smile on his face and he would laugh at just about anything you would say to him. He loved his family so very much, he would talk about them all the time. Turns out our niece Paula married his son Loren and all the guys in our shop always kidded with us about us being related, Loren really got a kick out of that. Loren, my friend, my brother rest in peace, God be with you and you will be deeply missed. You Car Repair friend Jim Seeney
