“ *Our remembrance of Louise Merendino is the love, devotion, and joy of spirit she gave to her entire family. We were fortunate to be able to call her family. Whenever we were with Louise, she always saw the bright side of any situation and usually it ended in laughter and always with love. We have so many wonderful memories and stories, of Louise and when those stories are shared, it brings a smile to your face. What a legacy, to leave! That when you are in Heaven, as we are sure Louise is. That when your friends and family mention your name, just saying “Louise” makes you smile. What a gift she has left to anyone who knew her. We give our Sincere Sympathy and love to her husband Andy, her dear Children, Grandchildren, Great Grandchildren, and her brother Howard and sister Carole.* ”

“ I have so many fond memories of Mrs. Merendino. As a child growing up in her neighborhood she was the sweetest mom on the block! I will never forget the times Maria and I spent with her in her pink Cadillac and the many number of sleepovers she graciously let me and Maria have! As an adult I got to know her as a sweet caring person who was always hospitable with a never ending smile on her face. I cherish my visit with her last year, when we laughed about the old neighborhood. I loved her laugh! It was contagious. You will be missed by everyone you ever touched. May you now be at rest and reunited with loved ones that have passed. I love you!

Maria, I have a special place in my heart for your mother. Cyndy was my first friend I made, we were in 1st grade. We went to 2nd grade together, on our field trip we went to the Philadelphia Zoo, where I proceeded to hold your mothers hand the whole day. Cyndy wanted to go and explore with the other children but I just wanted to stay with Mrs. Merendino! She was a kind sweet lady who loved her children.
