“ This just breaks my heart to the absolute core! Even when people in school were mean, Lynne was always very kind to me. She was always a wonderful loving soul and had a kind spirit. Family of Lynne - there is very little that I can do for you in your time of pain and suffering except to keep you all in my prayers. Know that I am doing that morning, noon and night. The Spirit of Lynne will live on inside each of you, and the pain will eventually ease into smiles of Lynne once again. I bid you His Peace and Comfort in the days and weeks to come. “ Those special memories of you will always bring a smile, if only I could have you back for just a little while. Then we could sit and talk again just like we used to do, you always meant so very much and always will do too. The fact that you're no longer here will always cause me pain, but you're forever in my heart until we meet again.

It's hard to forget someone who gave me so much to remember!
