

Margaret "Peg" A. Chard (Lipp)

March 24, 2025

Heaven received its newest angel Monday afternoon March 24, 2025, when Peg Chard joined the ranks with her children by her side. Born on March 29, 1939, in Upper Penns Neck (Carneys Point), NJ, she was a graduate of Penns Grove High School Class of 1957.

Peg was a retired school teacher of the Alloway Township School District where she taught both 4th & 5th Grade. Peg enjoyed gardening along with canning her garden vegetables, and summers at the family's Lake Garrison cottage. She was a member of the Union Presbyterian Church as well as a long-time member of the bell choir. She served multiple years as a deacon. She was a lifelong member of the Upper Penns Neck / Carneys Point Fire Department ladies auxiliary. Her favorite pastime was reading up until she could no longer see well enough to do so. Her grandchildren and great grandchildren were her life, and she enjoyed time with all of them as they always brought a huge smile to her.

Peg was predeceased by her husband of 62 years, Loren Chard Sr.; her parents Charles and Mary Lipp; grandchildren Eran Brant, Caleb Brant, and Christopher Chard.

Peg is survived by her sister Ruth Ann Ridgway (Jim) of AZ.; her son Loren S. Chard, Jr. (Paula), and daughter Kimberly Shute (George) both of Carneys

Point; 4 grandchildren Laura Rothwein (Kenny), Gregory Chard, Joshua Brant (Alyssa), and Adam Brant (Mary) along with her great grandchildren, Nicholas and Leanna Rothwein, Finnegan and Josephine Brant (Joshua), Levi, Annabelle, and Holden Brant (Adam).

Services will be private at the discretion of the family. In lieu of flowers, the family asks that donations be made in honor and memory of Margaret to the Carneys Point Fire Department, Meals on Wheels, Union Presbyterian Church, Salem County Humane Society, or a charity of your choice. Interment will be at the Salem County Veterans Memorial Cemetery in Pilesgrove.

“Loved working with Peg at ATS. She loved her students but held the line and pulled no punches in helping them succeed. Her most famous project I remember... 'write your own obituary'. Seems morose on the surface but really helped kids to reflect on their lives and contributions to society - both at the time and into the future. Godspeed Peg. By now you've caught up with Kitty and Mary Beth. The conference of grand ladies. Condolences to the family...”

“Mama Peg shared herself to me by allowing me to be her caregiver since August last year. Her sense of humor and occasional jokes are a reminder of life's simple joys despite her health conditions.”

“So, I was a student of Mrs. Chard in 6th grade and some might say I was chatty. I came back to work the SACC program at Alloway when I started college. As I'm reprimanding the smaller kids going in and out of the bathrooms telling them, “You need to be quieter while in the halls because teachers are still working,” she walked by and whispered in my ear, “Paybacks are a b*tch,, aren't they, girl...” With that wonderful smile and laugh! She was always one of my favorites.”

“ *She was my 2nd Mom & will miss her. I've known Peg about 50 years from down @ the Lake. Will miss her smile & laughter.*
