“ I was a friend of Mrs. Kille's from the Brooklawn church and my father, Frank, was her mailman for many years. I know my father spoke of her with such fondness because she was nice to him on his mail route. She was such a lively and fun person. She could always make you laugh and bring a smile to your face. She left a mark on my life and there are certain things that when I hear or see them I think of her. While I am sad to think of her as gone I can just imagine what it must be like in heaven now and that one day I will see her again!

May God continue to bless you with the memories of Marge and her love. My prayers have been going out for you and your family during this time. My prayers were with Marge from the time she went into Pitman Manor.##imported-begin##Pat Graf##imported-end##

Thank you so much for sharing this memory of my Grandmother. Having spent much of my 'growing up' days with her in Jersey, I remember well her often speaking of her Mailman and how much she enjoyed her interactions with him. I appreciate him being such a daily light in her life. Sean Kille

“ Will,  
*I'd like to offer my condolences to you and your family for the loss of your Mother.  
You may not remember me from eighth grade. What a great era.  
Every once in a while I look at the photo and time seems to stand still. When I saw the name I just wanted to say hello.##imported-begin##Jean (Kowalski)Wagner##imported-end##*
