“ *Maria and I were not close friends but we spent time together because we traveled in the same circles when we were younger. She was a few grades ahead of me. She was dating Steve at the time. I remember the two of them were like two peas in a pod. He was quiet and laid back and she was such a little spitfire lol. But it worked for such a long time .Gone way too young. Prayers to Tony and Shelly. My thoughts are with you.*
