“ Heaven received another beautiful angel this week. Marie Ann was like a second mother to me. After losing my own mother, Marie Ann was always there when I needed something even though it may have been unspoken. She filled a room with her loving kindness and joy. When visiting my friend Michele, Marie Ann always made you feel at home. It didn't matter what time of day you visited , one of the first things out of her mouth was "Mary, do you want something to eat?" "Something to drink? If you said yes, she would produce a whole meal in front of you regardless of the time of day. She was a true people person with a God given gift of showing love to all around her. She was a shining example of someone who loved life and enjoyed every second of it. This one hurts. She will be missed by all who knew her. I take comfort in the fact that one day I will see her again in Heaven. My prayers go out to the family. Michele Mattioli-Landew Dominique M Landew , Tom Mattioli Mark Mattioli , Leon Mattioli My condolences to you all. I pray for strength, comfort and Peace that surpasses all understanding. God Bless you! She will be missed but she will always live on in our hearts. R.I.P. Marie Ann . Much love to the family.
