

Marion C. Hill

May 26, 2016

It is with Great Joy to announce the rebirth of my Mother Marion C. Hill. Her story starts in Elsinboro with her being the youngest of five siblings and two previously deceased loving parents, Joseph Harry and Marion Miller Crist. She grew up with two brothers, Stewart (Bub) who would later marry Amelia Muster and William (Bill) who would later marry Virginia Fricke. She also had two sisters, Vivian (Viv) who married Charles Moore and Dorothea (Dart) who would marry Horace (Bucky) Volkmar. She found her forever source of Love from Robert Hill and married him. They moved to Quinton, and eventually to Mannington where they both had a son, me Robert "Bobby" Hill, Jr. Mom was the last of her immediate family except for Uncle Bucky. She missed them all greatly. I believe that she is probably hosting a family picnic in the clouds now with all that have already passed.

She is survived by her husband Robert Hill, Sr. from Pennsville, her son and his wife and their two sons. She also has many Hill Brother and Sister-in-laws with nieces and nephews who Love her. She has nieces and nephews from her family as well that Love her too.

She had many other loves which included Broadway United Methodist Church in Salem and Haines Neck United Methodist Church in Mannington. In these

two places she came to know her Lord and Savior, Jesus. She spent time on both sides of the desk as a student, and as a teacher. She was always going to Sunday school and worship services, Wednesday Bible study, vacation Bible school, bazaars, social gathering and of course oyster suppers.

Cooking for her family, friends, church, firehouse, and organizations she catered for was another passion of hers. She was a self-taught Chef and hostess. Among her prize recipes were special mac-n-cheese, chocolate pound cake, rice pudding, scalloped oysters, and roasts of all types. This skill would eventually be passed on her son and Daughter-in-law Patricia Ann Columbus daughter of Arthur E. and Carol A. Columbus. Her loving grandchildren Brandon Robert and Matthew Patrick would catch the bug as well and learn to cook too.

Mom was a hard worker all her life and wasn't afraid of getting her hands dirty. She would help Dad work his garden, can or freeze the fruits and vegetables they grew. She would even cut and carry firewood when needed, and make sure her house was clean and something delicious was at hand for any occasion.

She also worked for E.I. DuPont de Nemours at Jackson Labs as a stenographer, Mannington Township as treasurer, a School Bus driver for Mannington Elementary School, the Walnut Street Sewing Factory as a payroll clerk and book-keeper, and finally as secretary to the Inter-Agency Council of Salem County. She poured her heart and soul into all these

organizations to help all the people she could. Dad and I would like to say that in lieu of flowers Mom would be pleased if you made a donation to Haines Neck United Methodist Church, 231 Haines Neck Rd., Salem, Nj 08079. She would like that because it is something her heart would do in these circumstances.

Join us in a celebration of her life at the Adams Funeral Home, 64 Broad Street, Woodstown, NJ 08098 on Thursday, June 2, 2016. Viewing time will be 9:00-11:00AM, service will be 11:00AM followed by interment at the Salem County Veterans Cemetery. www.adamsfuneralhome.org

“ Bobby, Trish, Brandon and Matthew,
I'm so sorry for your loss. And I'm sorry that I wasn't able to attend the services for your mom. My mom was just getting home from hospital/rehab and I couldn't get away. I hope you'll excuse the delay in my posting my condolences here...honestly, I hope this message finds you after all this time. Bobby, you did a wonderful job writing the obituary and you chose the perfect picture. Of course I saw her more in our younger years at birthday parties and holidays at Aunt Molly & Uncle Cris's house. She had a laugh and personality much too large for their small house on Union Street! When I think of her, I see her with a smile and a witty word or two. My mom was just reminiscing about the chicken potpie lunches your mom prepared and served in the basement of her house...for those DuPont employees who eagerly bought tickets and were surely never disappointed.

I hope that in time you find peace (or that peace finds you!) and that your happy memories are all that remain. Praying for you all and your dad, and especially your mom in her journey to what is surely her place in Heaven.

*With much love,
Kim (Martin) Cline and Sons Hal & Sean
and your 'Aunt' Kay (Muster) Martin*
