December 14, 2013

Marjorie T. Gregorio, 86, of Carney's Point passed away on December 14, 2013. Born in Woodbury, Marjorie was the daughter of John & Helen Kane Tucker. She retired from DuPont Chamber Works where she was employed as a clerk for 44 years. After retiring, she became active with the DuPont Veternettes but other activities included bowling, traveling the world and knitting. She enjoyed bingo and spending time with friends and family. Furthermore, once you got to know Marjorie, you realized very quickly that although very sweet she was extremely strong willed and had a mind of her own. A loving mother, grandmother, and great-grandmother. She would always carry herself with dignity and a deep seated pride. She worked very hard in life to be a good person and taught many lessons to her loved ones. She will be missed and may she find peace.

Her son David (Sue), a brother Thomas Tucker, six grandchildren and eight great grandchildren survive her. In addition to her parents, her husband, Andrew James, her daughter Brenda Ann DiTizio and a sister Helen Eskridge, predeceased her.

Graveside services will be held on Wednesday, December 18, 2013 at 11 AM at St. Mary's Cemetery in Salem. The family has suggested that donations can be made to the Deepwater Fire Company, P.O. Box 309, Deepwater, NJ 08023. www.adamsfuneralhome.org
