“ *We were so sorry to hear about the loss of your mom. Since we so recently loss our mom we know the pain you are going through. I have so many fond memories of growing up with you all as neighbors.*

I don't know if you remember or not, but when our dads worked 4 to 12 our moms would get us together to have dinner. They were great times & great memories of days gone by.

Your mom was a great lady & a good friend to our family. We were so fortunate to have our lives intertwine with yours as we grew up.

Unfortunately we will not be able to attend any of the services for your mom. Please know that our thoughts and prayers will be with you. Christmas is going to be so different for all of us this year as we have to go on without our moms.

May the Lord sustain you during these pain-filled days of your fresh grief.

Love to all, Ethel Jo & Pete Broomall & Lois & Coop Yearicks (The Neilio Girls)##imported-begin##Ethel Jo Broomall##imported-end##
