“ I’ve known Mary for most of my life. When we were kids, one of the biggest things we loved to do was play Barbies. We would spend the night on the weekends at each other’s house and play to the wee hours of the morning. We would lay down for a couple hours to sleep, and get back up the next day to start playing all over again! As we got older, she would write love letters to my older brother Dale and put them under his pillow. He would just smile. We did so many things on the Farm. We rode horses and motorcycles. In fact, every time I look at the scar on my leg, I will remember Mary’s expert driving skills that put us in a ditch! When I got married, Pat and I didn’t have enough money to take a honeymoon, and for whatever reason he couldn’t seem to get us to Lancaster. When I called Mary, she asked if we went on our weekend trip and I told her that Pat couldn’t get us there. She said Frank and I will be there to take you! So they went on our honeymoon with us! There are so many more memories that I have with her, and she never forgot my brother Larry on Memorial Day. In my high school yearbook she wrote, “the future holds our dreams, but the past holds our memories. Remember me, Mary.” I will always remember you, Mary! How could I forget you? Love you, girl!
Frank, Amber, Mrs. Essler and family, I am so sorry for your loss.

“ Frank and Amber - I am so sorry to hear of your loss. Mary was one of the sweetest people I knew. She always made me feel like my daughters were special to her as a band mom. I am sure all parents felt the same way because she treated all the band members the same. On top of being the best band mom, she was a good friend. I am sorry I cannot be there to honor her but I am there in spirit. Keep your memories close - they will carry you through this difficult time. May she rest in peace.
