“ Gina, I am so sorry to hear about your Mom's passing. I just read her obituary and viewed the beautiful memorial service you coordinated for her at the beach. I can't imagine how difficult it is for you to have to grieve during this time of social distancing. Your Mom was an amazing woman. I pray that she is resting in peace and that you will be able to find some comfort in this difficult time. Keeping you in my thoughts and prayers! 🙏 Gina G

“ Gina: Please accept my sincerest sympathy on your mom's passing. It is sad enough to lose your mom but even sadder during this pandemic. What an excellent tribute to your mom at a place that she loved, the beach! You did an excellent job planning the service, especially at this sad time, and speaking. Please know, you are in my thoughts and my prayers. God bless you. Rita Collins

“Gina - I'm so sorry to hear this news. Sending virtual hugs and thinking of you at this time. Never easy to lose someone we love, and during these challenging times even worse. You did a beautiful job speaking during the service and showed incredible strength. Your mom would be proud. Ann (Maniglia) Wyatt

Dear Gina, Our current restrictions did not diminish in any way the Memorial you planned and the tribute you gave to your Mother, but rather, enhanced it. Via the video, I witnessed and participated in a Memorial so infused with attention to detail that the depths of Spirituality, the essence of love, the beauty of nature, the sorrow of death yet the joy of Resurrection became alive and vibrant. Your Mother couldn't have been happier. My prayer is of course for the repose of Mary's soul but also for your peace, achieved by Faith, family, friends, memories, and your masterful final tributes
