

Matthew Glass

October 22, 2012

Matthew Glass, 19, of Alloway passed away on October 22, 2012. Born in Brazil, Matthew is the son of Dr. Steven Glass & Dr. Joseph Zeccardi. A graduate of Friends Mullica Hill and St. Augustine Prep, he was currently a sophomore at Philadelphia University. He had a tremendous passion for life, in fact, he lived by the following, "Loved living hard and moving fast" and "Go big or Go home".

Matthew is survived by his parents, Steven and Joseph, his brother, Jacob, who was as close as you could be as a twin without actually being one, many more family members as well as all of his friends whom he considered his family.

Services are being held on Thursday, October 25, 2012 at the Adams Funeral Home, 64 Broad St., Woodstown, NJ 08098. Steven, Joseph and Jacob will be available starting at 11 AM to greet anyone who wishes to stop by and pay their respects. The service will follow at 2 PM at the funeral home as well. Interment will be private. The family has suggested and would deeply appreciate donations to go to Friends of Mullica Hill, 15 High St., Mullica Hill, NJ 08062 in lieu of flowers. www.adamsfuneralhome.org for condolences

“ I remember clearly when Matthew and Jacob came home, so tiny and so precious, I also remember the last time I saw him, on the Spirit of Philadelphia, so proudly representing his father. Matthew, you have left those you loved far too soon, I know the love you gave in this short life will be treasured forever. You and your family will forever be in my thoughts.

“ Matt was an amazing person. This breaks my heart. I have too many happy memories of Matt to list. Last year, every single weekend without a doubt he stopped by my room to approve of my outfit for me. He never had to knock because he knew he was always welcomed in my room. I can't get that beautiful smile out of my head, I never saw him without it. He was so full of life. Just being around him was the best cure for a bad mood. He helped me through a lot of problems in my life and it pains me that we weren't as close this year, but he was the kind of guy you could call months later and it was like no time had gone by. We can only be happy to have such an amazing person watching over us now. My favorite memory is probably the night he happened to walk in on girls night last year, mind you he decided all 5 of us were CRAZY, but he listened to us all vent, he made us all feel special, let us all know we deserved the best. That's the kind of guy he was. I was proud to call matt my friend. I'll miss him and keep him in my heart forever.

“ Matt will always be one of the most important and impact full person in my life. Not only was he my boyfriend, but he was my best friend. His family became my family, and he was a part of my family. He was one of a kind, simply the best. He has such an amazing personality that made everyone feel special. He has touched SO many lives. We have shared two years of memories together that are some of the best memories I will cherish my whole entire life. Some memories being: Junior year when Matt dressed up in a scuba outfit for my pre-prom, Matt being able to paint my nails perfectly, watching *Pretty Little Liars* together every Tuesday, that black Dodge Ram that he loved so much, seahorses, the cruise to the Bahamas and our special NYC trips together.
