“ Our thoughts and prayers go out to all Melvin's family and friends. We will always remember him as a happy kind man and a skilled woodworker. We still have the cradle he made us and hope to be using it again for our grandbabies. May he Rest In Peace. Fran and Jeff Hepler

“ I will miss you more then you'll know. Many of my childhood memories are with you and Mrs G. I will always treasure the sconces you made for me. I know you will keep an eye on all of us but you also know Barb and I have and always have each others backs. Rest easy and get back into your wood working, you loved it so much. Give Mrs G a hug for me, until we see each other again.
