“ Jim and Pat, we just heard the news of Michael today and cannot express how sad it was to receive the information. Your entire family is such a blessing to the Body of Christ and having Michael on our team was pure delight. We truly loved having had the opportunity to be a part of his life on earth and forever in Heaven. "We shall not all sleep, but shall all be changed in a moment, in the twinkling of an eye, ... raised incorruptible, and we shall be changed" Love, Jim and Cher Wandell

“ Mike was a Great friend, husband, father, and son. we met at my first transplant meeting at Fairmount Park on the basketball court. Our competitive nature fed off of each other to make sure neither of us would give up and we continued that every time we were on the court together. Even off the court we we had a lot to talk about and had a blast doing so. My love and thoughts to the family, you will be missed but not forgotten!

“ Mike was always willing to volunteer and help out. I fondly remember playing basketball with him and the kids at the hangar. He was an all around good guy and had much respect for him. So sad he left us so soon. You will be missed by many but I know you are already doing great things in heaven.
