Kent, Lori and family. I was heartbroken to hear of the passing of someone so young and with beautiful adoring children. What can be said to a parent or child when their daughter or mother is no longer with them? I did not know Misty, but I have worked for years with Kent and have enjoyed stories of the grandchildren. May she be at peace and in the arms of Love in heaven. Please accept my and Betsy's thoughts and prayers.

“ I will forever remember and cherish the times I spent with my “Peanut” while stationed at Cherry Point. Whether we were at the park across the street or riding bikes around the neighborhood. My heart goes out to Kent and Lori as they try to heal.
