As you know we were saddened with the death of Nathan. Such a young child to still have a life wisked away. The Lord knows that hes the one with the plans and at this time there was a need for his smiling and happy self. We all know that one day we will all be together. May you be at peace knowing that he is safe and taken care of away from harms way. Even though we all didn't enjoy his happyness as much as others we feel your pain. I still pray for the memories to heal each day.
May you find peace knowing that I'm here for you too. Thinking of you in my thoughts and prayers.
Love you and your family
