“ Dearest Linda: So sorry to hear about the passing of your daughter, Nichola. I saw her when she was just a baby in her playpen and at a family reunion when she was pregnant. You are living my greatest fear. No parent wants to outlive their child but you gave her support and now she will watch over you. Your cousin, Paula Sassi

“ I am so saddened to hear of Nikki’s passing. She was my first teaching buddy across the hall at St. James Grammar. I’ll never forget she and I going to Myrtle Beach together and her telling me we should use baby oil to get a good tan. Mistake! By the end of the day her face was so swollen we ended up walking to the ER. We had some good times those years together. She was such a sweet soul and so kind hearted! I’m so very sorry that she is gone much too soon. I’m praying for her children, Linda and her brothers because one thing I remember the most was that family was everything to her. RIP, Nikki xo❤️
