“ I am so very sorry to hear of your loss. Mr. Cerefice was always a fun Dad to be around when Melissa and I were growing up. I know it has been a long time, too long but I do wish Melissa if you are reading this to let you know I have just lost my Grandmother from the same cancer, and you need anything or someone to talk to you can contact me thru e-mail first then we can talk on the phone, and exchange numbers. I am very deeply sorry to all your family and you are in my prayers. Love Erica Everwine##imported-begin##Erica Everwine##imported-end##

“ I worked near Nick for many years in Newark but I was actually in contact with him much more after he transferred south. Always willing, always helpful, always a nice guy. Justice? Why do we lose someone who is so decent and young, who would have had so much potential to touch others' lives.

I hope that it was peaceful for Nick. I also hope that all of you, his family, are given the strength to carry on as Nick would have wanted. You will all be in my prayers.##imported-begin##Bob Wysocki##imported-end##
