

## Nikki R. Adams

July 20, 2025

It is with heavy hearts that the Adams family announces the passing of Nikki R. Adams (formerly Michael J. Adams) after a courageous two-and-a-half-year battle with cancer. Michael passed away on Sunday July 20, 2025 at the age of 62. Born and raised in Elmer, New Jersey to the late Floyd (Bro) Adams Jr. and Sandra Adams (née VanCleaf), he attended Schalick High School and later took several classes at Gloucester County College that honed in on his love of literature.

Michael was an edacious reader, often indulging in non-fictional biographies, historical novels, and science fiction. He also enjoyed studying astronomy, building model tanks, playing video games, watching films, and gardening. He was always happy to give away what he could, whether it be extra fruit and vegetables from his garden, a lollipop, or a quick-witted joke. Most recently, Michael was employed at A Cheerful Giver in Elmer, but had many professions over the years.

Michael is survived by his two children, Jonathan Adams (married to Amanda) and Melissa Adams (engaged to José); as well as his two brothers, Floyd Adams III and Edward Adams. In addition to his parents, he was predeceased by his long-time partner, Susan Mote.

There will be a private, graveside service to honor Michael's life. In lieu of

flowers, please consider sharing a positive memory on [adamsfuneralhome.org](http://adamsfuneralhome.org) for the family.

“ I worked with Nikki and she was the perfect mix of a kind heart mixed with a lot of sarcasm! She was funny and always had a great story or joke to tell. I'll always think of her when I hear “fade into you” by Mazzy Star and anytime there is a meteor shower to watch!

“ Friends since 2nd grade we hadn't seen one another in about 18 years but always got along like champs and really did some ridiculous stuff as 8 year olds including rode our bicycles along with brother Buddy 15 miles round trip to my cousins house beyond Parvin state park, crawled a few blocks thru the sewers of Elmer and while chucking rocks at one another he knocked my 2 front teeth into leftfield as he had quite an arm! There were no video games so you had ample time to entertain yourselves back then! Nikki's sense of humor is what I will miss the most! Fly High my friend

“ God bless him and his family. I went to Schalick w him tho a grade under. Years later, heading to work, I found a group of horses running wild. It was his house where I stopped at 10pm. He was nice and assisted in getting in touch w the owners. Rest in peace.
