“ Good afternoon family and friends,

While I did not know Mrs. Hofmann personally, I worked with her husband Rick for a few years. In that time, I have had the pleasure of listening to many wonderful stories. (Now, we all know that Rick can tell a good story). However, What I most admired is the way he always spoke of his wife. Most people when they speak of a loved one, will call them by name or my wife or my husband. Whenever Rick spoke of his wife it was always in such a loving and personal way. "My Trish" I always thought what a wonderful person she must be. Rick spoke of her so often, I felt like I knew her myself. To the family and friends of Patricia Hofmann, I offer my condolences. We at the Division of Social Services want you to know that we are here for you. When you need a listening ear or just a friend to sit in silence, we are here. Our sincerest condolences to you, Rick.

Francine,
