“ *Pat is one of this world's most selfless people. That's how she became a sweet part of our family! Her love for my mom-in-law brought her 9 hours across Pennsylvania to our home in Ohio—many times a year; mom couldn't drive it alone.*

And every time we visited PA, she'd have a spread of lasagna or cold cuts for our family as we visited. My kids called her Patsy, and we all adored her. We couldn't help it.

I'm grateful that she and Kenny are together again, with their Jesus. She left a beautiful legacy behind.
