“ *My family had the honor and pleasure of knowing and growing up with the Zeilman family. Our family grew together as one family. They helped us, and we would do the same. I missed all the good times when we were kids growing up from middle school to 12 th grade. As we grew older some of us got married, some had their own families, we did drift apart, but not all. The last time I saw Pete was when he worked on a job site with me years ago. Pete was very quiet and kept to himself but you wouldn't think that when worked together at the job site. He was a totally different person at work.*

*He made work enjoyable and had lots of fun,laughter and made the work day go faster. Pete you will be missed and at peace. Til we meet again. My condolences to your family.*
