

Priscilla "Penny" Orbin

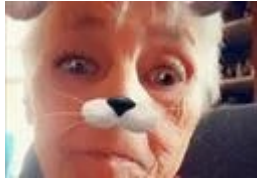

September 27, 2020

Born on October 22, 1942, Priscilla "Penny" Wilson Orbin passed away on September 27, 2020 surrounded by some of her favorite people. She is survived by her husband George, sisters Connie and Dawn and predeceased by her sister "Kitten". A loving mother of six, including, Wendy, Tom, Danielle, George, Yvonne and Tara and their spouses. A very special MeeMee to twenty-one grandchildren, including, Jennifer, Chris, Kevin, Stephanie, Eric, Kyle, Tommy, Brittany, Kemp, Jane, Cassie, Nick, Jocelin, Kennedy, Orlando, Gabrielle, Mercedes, Angel, John and Alexis. Her great grandchildren were a blessing and a joy to her and to date there are sixteen. Aunt Penny to some special nieces and nephews that she loved dearly. Penny loved her chicken, Henrietta, and took pleasure in seeing her pecking on the door for a good morning treat. She loved licks, virtual and real visits from her twenty-four grand pets. A bus driver, a barmaid, a cashier a waitress and a convenience store manager, they are all titles. She was a friend and mentor to many. She loved camping, crafting and entertaining her crazy family, especially on her infamous Christmas Eve open houses. She crafted the most amazing things and even had a shared store with a dear friend that had also passed. Surely she is dancing through the mums with her many furchildren and grandfurs that she loved and passed before her. Though she viewed us all as a pain in her "whistle berry", she loved us all and her biggest worry in her final days was that we would drift apart. No worries P-Cora, we love you and you taught us better. Love the ones that love you. We love you! XOXOXO The family has suggested that donations can be sent to MD Anderson Cancer Center at Cooper Medical Center, One Cooper Plaza, Camden, NJ 08103.

“ *As Priscilla loved Christmas and Christmas music, something I have very much in common with her, I would like to celebrate her life throughout the 2020 holiday season playing the original Christmas CD that I created with my Along the Road bandmates back in 2012...The title of the CD is "The Days Draw Close to Christmas." I hope some of the songs on the CD will remind her family of the love she had for the holiday and warm your hearts...*

“ I only met Priscilla a few times but what a fire cracker she was. We hit it off right away,I only wish I had more time to spend with her. Thank you for the gift of your beautiful daughter Wendy and I know you will be looking after her and all your loved ones here on earth. Till we meet again,sleep well.
