“ Reuben left a good lesson behind that if everyone followed the world would be a better place. Always happy and kind to everyone no matter what his own challenges were. He always made you laugh and was willing to help you anyway he could. He was truly an example of what we all should try to be. I have missed him since he left Godwin and enjoyed working with him. I'am sorry he is gone, but glad he is at peace. I know for sure he is not hurting anymore. I will miss him and I will keep your family in my prayers I know he loved and was proud of his family.

Sincerely,

“ I had the pleasure of working closely with Ruebe for many years. In fact we shared the same office. He was very proud of his family and talked often about them especially his grandkids. What a great man. We need more like him in this world.##imported-begin##Dan Altland##imported-end##
