“ RIP. He will be missed. Many fond memories growing up with this amazing family. Used to run into him at Elmer IGA thru the years, he didn't say much but one thing he always asked me was, "hey, you staying out of trouble?" LOL...Come on Mr. Pierce, you know me!!!! :-) hugs and prayers to the family during this difficult time. ♡

“ I will always remember our days of horseback riding and how you would sit me in the palm of your hand and hoist me up in the air! Even though your physical self is no longer with us...I see and feel your presence all around.

Mom is the greatest Wife, Mother, Caretaker and I'm sure you are aware of that...specially now. You were the silent type in many a settings you also had a thing for animals and a "do it yourself " kinda guy all things I get from you and even though there were times we didn't see eye to eye we still have love for each other.

I Love you! And I'm looking forward to seeing you again and going on our next long horseback ride. Love, Ruth Anne
