

## Robert Baltzell

July 24, 2018

On July 24, 2018 Robert Baltzell, 52, of Egg Harbor Township passed away. For those who knew him or came in contact with him for the very first time, you knew that he was a man who put others first and his own wants a distant second. He was a kind man with a gentle soul who loved his family and friends. Robert also loved the outdoors, playing his guitar, singing, writing songs and poetry and watching the Cowboys. He was also a very spiritual man and it was important for him to nurture and strengthen his relationship with God and to share it with those around him.

He is survived by his wife Kate, parents, Helene and David Davis and Joseph and Alexandra Baltzell, siblings, Christine Baltzell-Stabile, Sterling Edward, Nancy Musuras (David) and Maria Russo (Anthony), nieces, Helana Russo, Emily Musuras, Kimberly Musuras, Taylor Baltzell-Stabile and Rafaella Russo and a nephew, Joseph Russo.

“ To the Baltzell family, My heart grieves for the loss of your son, your brother, your uncle. No words can fill the empty place in your hearts. Each child is unique to us, and to God. Bobby left us early and young, but is undoubtedly in the Lord's comforting and welcoming hands. Cherish your many, many family memories of the lively and generous soul with which he reached out to nurture relationships with you and with others. You have always been a strong, spiritual family. Hug each other as you together remember, with a smile perhaps, his fun personality during those formative years in AC, around the big wooden table in a big house filled with noise and love! You all, especially Joe and Helene, are in my prayers. Jenny K.

“ I've known Bobby and the Baltzell family for over 40 years and will always remember the blonde, curly haired, good looking older brother of one of my best friends! Bobby had a million dollar smile, a great laugh and always a kind word. I remember how cool it was when Nancy and I hung out in Bobby's room on the third floor of their house listening to Ozzy Osbourne music. I sat at their table and shared many meals as a kid, hoping I could move in there one day :) He loved the beach and the surf! No matter how many years passed between visits, he always greeted me like family and with a smile and a huge hug. My heart aches for everyone at this time. My Bobby's soul rest in peace. Love you all, My family sends their love and condolences. Kristine Dreher
