“ *My favorite memory of Poppop.....*

One morning when I was out on maternity leave from work I got up early to go walk around the park. When I pulled up to the park and got out of my car, I saw Poppop finishing up a lap around. He was tired from his walk but insisted he walk with me because he didn't want me to walk by myself while I was pregnant. We walked and talked and had a great time. And every person we met along the way, Poppop had to stop them to let them know how proud he was of his soon to be new great granddaughter.

Poppop, I love you and you will always live on in my heart. I already miss you!!!imported-begin##Lisa Cowperthwait##imported-end##

“ *My memories I will hold for a long time. Bob was my friend and companion for 14 years, He was always there when I needed him and I was there for him. I will miss his phone calls every night, not being able to talk to him or hear his voice. I want to Thank his children for sharing him with me. May his soul rest in peace.##imported-begin##Chocky Zeidler##imported-end##*
