“ Being Richie's neighbor we would see Bob often. Always a kind word. He loved to tease Richie too. You could see the love between father and son. They are together again and at peace. Condolences to the family at this difficult time.

“ There really are no words...just know that my heart is aching for all of you and you are in our prayers. You all have been on my mind...and i pray that you would feel the arms of God around you and holding you up when you can't stand on your own. We wish we could be there with you but since that is not possible know that we love you all.
