“ *Dear Carol Jim and Joyce I have so very many memories of Ron as well as all of you over the many years in touch with you as a sales person for Crown as well as a friend. I still consider myself a friend. I have just arrived Tuesday in Florida with Letty for the winter when I read of this in the paper via the internet. I am at least happy that Ron had some free time these last few years to enjoy all his many years of hard work. My thoughts and prayers go out to all of you and know that the good memories you have will overshadow this tough time. With love and affection Mike McKenna*

“ *Ron was one of the finest people I'll ever know. Hard-working, generous, smart and fun. And he could fix anything. I was fortunate to work with him and for him, and we shared many great times along the way. Looking back at my life and experiences, time with Ronnie is a highlight.*

Jimmy and Carol, my thoughts are with you. Ronnie Bianco is not a famous person remembered by the world, but the world doesn't need more famous people. The world needs more people like your Dad. Everyone should be so lucky as to have known him or someone like him. Be proud, not sad. I'll be raising a glass just as he would.

My condolences to you as well, Joyce. I hope you are well.

Thank you all for welcoming me into your family so many years ago.
