“ *I just found out that you have left us Ron. I remember being a delinquent kid at Ranch Hope in the early 80's and you working the night shift at the "bad boys" cottage "Beta". Of course I was there. I remember when you first came on over there and how I would come out of the room at night and find you with a book or study materials and most of the time a Black leather bound Bible reading and studying scripture. I also remember you made up a couple funny limericks that you would sometimes say to motivate us for evening chores. Out of all the staffers of that place I always felt a special connection with you that lasted all these years and with the advent of Facebook we were able to connect again for a bit. I want everyone to know that Ron loved and that loved him that he was good people. It is great that he lived and sad that he is gone. He is not dead by any means, just asleep for a bit. Love you Ronnie Ray! Rest In Eternal Peace And Love! Marc Spritzer*

“ We are at a loss for words about the passing of your stepdad. Ron was always a quiet man but a very kind person. He took such good care of your Mom. We Prayed for him all the time but God has other plans for him. The night Ron ended up in Cooper with the brain bleed Howard was waiting to see if he would need to go up to see Ron not knowing he would end up there himself having triple bypass surgery 2 days later.

Ron will be missed and we Pray you find comfort knowing he's with God !

I'm sure he appreciated all you did for him. God Bless, Howard and Jonny Phillips
