“ *Josie, Joe, Marty,*

So sorry to hear of your mother's passing. Living in San Diego, I rarely get back to Woodstown since my mom passed in 2012. Unfortunately funeral notices are one of the few ways I am able to maintain any ties or knowledge of friends and family. I offer my special thanks to your parents for the opportunity to have known you all and the positive reflection on our relationship during my years living in and returning to Woodstown. My thoughts and prayers are with you and your families.

My very best and sincerest regards,

Robert Furio
