“ Rose came to my Mom's to get her hair done each week. We use to tease here that her "boyfriend" was outside to pick her up. My 3 brothers and I loved Rose. She was a very special lady. And way more than just a client to us and my Mom. She would make us a yellow cake, with white icing and coconut on top every Easter. To this day that is my favorite cake. So many memories to share. A great lady she was and she will be missed greatly.
