

Roslind Viglino

June 7, 2020

...It is with a shattered heart

Our Beloved & Cherished ROSLIND VIGLINO was called home by God on June 7th.

She was 68 years young.

Roslind was pre-deceased by her loving parents, James Viglino (in 1983) & 'Molly" Viglino in (2019).

'ROZ' was full of love. Unconditional Love.

Everyone that knew her, knew & felt that love. She was so very very special AND she made others feel special. Once Roz met you she never forgot you, and you never forgot her.

She had her favorites and you know who you are...especially the family of friends who she grew up with on Rail Road Ave. In Pedricktown.

' The Good Old Days' as she always called them. They were one of her fondest memories.

♡♡Our Roz♡♡

Forever in Our Very Souls.

She loved, loved , loved music, she loved to dance & sing, she loved attention, she loved pizzelles, she loved her family & friends, she loved to be loved AND she loved ELVIS !!!! SHE LOVED LIFE.

....And she lived her life according to her rules for the most part !! She had a strong will, a strong mind & the biggest heart & soul imaginable !!

We were blessed with this feisty little Angel for 68 years

She is survived by her sister Barbara Viglino, her brother Paul Viglino, her niece Sommer Lea, her nephew Chase Sanderlin and her darling grand niece Jacey Lane.

Also a maternal uncle Albert Squilla & paternal aunt, Rose Solano, along with countless cousins.

The memories are overflowing...her love is indestructible...her soul is pure and now she will soar the heavens with her parents, her God & all the Guardian Angels that surrounded her & were with her all her Life

Roz is now one of them.

Services are private .

Contributions may be made to the ARC of Salem County in Roslind's Memory.

“ My condolences to Roz's family. Roz would regularly come to my office at Southgate and tell me how much she missed our previous administrator And DON who were her friends . She told me I was her friend and I told her she was mine. Sometimes I would buy her Dunkin donuts coffee and a chocolate donut which she loved. She often told me she missed her mom who passed away last year. This always seemed to make her sad . I never knew what to say to her when she would tell me this. But now my sweet Roz is reunited with her mother, who loves her, and for this I am happy. I hope the two of them are drinking coffe and eating chocolate donuts together in heaven. ❤️

“ Roz aways was a friendly person. I worked with Roz at the Arc. When payday rolled around she was happy. My daughter used to wait on Roz when she would go to the bank in Woodstown and ask her, did I do good. My daughter would tell her yes and give her all one dollar bills so Roz would think she had a lot of money. My daughter said mom you don't know how happy she was to get the money.I RIP Roz I never forget you.

She was always so happy. I am so happy that I got to be a part a part of her life, even if it was just for a few minutes at The Bank.

“ I had so much fun with Roz and I will never forget the Elvis birthday party her family had for her here at southgate it was such a blast everyone had so much fun. Roz would always ask me how My grandkids were and to tell them hello before I would leave work at night. We truly had a close bond. May our loving father comfort all of you at this sad time

Viola....

What can I ever say?

Only now am I even able to finish reading these comments.

The days at the group home when you were there Viola were Roz's best !

She loved her Viola, and so did we.

My mom & Roz & I spoke of you often .

Rozs' passing was very hard for us....covid had shut down S Gate & we were unable to see her for months. We talked almost every day, but the isolation and the DAMN MASKS as she would say, just depressed her so much. She missed mom, but thank God our mom was not here to see all that happened, but grateful that Roslind is now with my mom & dad & embraced by God & Divine Love.

It is impossible to replace the unconditional love she had for those she loved. You knew her Viola...she was fiesty & hard headed at times but oh the love she held in that innocent heart of hers !!! We miss her beyond belief !! Thank you, and your sisters, for being a special part of her life, and for just loving her as she loved you.

Hope all is well & God Bless You.💕

“ My dear sweet Roz. May you Rest In Peace. You brought joy to my heart every time you would sit in our sun room and listen to your music and dance. I'm not going to have anyone as special as you to buy gum and sour cream and onion chips for. I'll miss our daily conversations about so many different things. I love you, and I miss you 💔😭

“ Roz was one of my favorites.. she could be stubborn but then wanna hug you a few minutes later.. anytime I would go back to visit no matter how much time passed she would always say wait I know you! Aren't you Toni, and would always ask how my mom was doing because she remembered her after seeing her one time when she brought me dinner! I will always remember her. So sorry to her family for this incredible loss. 💕💕
