*I have known Rowland for such a long time, When Arnold (my brother) was in the printing business in Clifton Hts. In fact I worked with them for a while. He was always such a gentlemen. When Arnold died, years later he married my sister-in-law Estelle...and I couldn't have been more happy for them. That also was my brother's wish...He loved Rowland.. Betty Johnson in Florida..*

“ *Rol and Estelle were the first ones we met when we moved into our house over forty years ago. We both went on to have two children whom became fast friends. We shared many birthday, and holiday celebrations together. Steve and Rol shared their passion for train collecting! Rol, you will be missed but we take comfort that you are reunited with Estelle, Todd and your parents. Until we meet again, rest easy my friend*❤️
