“ A sincere "thank you" to Bill, Marc, Dollie and the staff at Adams Funderal Home for helping us through the death of my mother, Ruth. Everyone went above and beyond the needs of all of us to ease our grief and sorrows. The visitations and service were perfect despite the weather. “ Thank you, Dixon, for putting our thoughts into words. We will be eternally thankful to the staff at HCR ManorCare for taking care of Mom 24/7 for the last three years.

Mom asked why we were "putting her there to die." We explained numerous times that we were arranging for her to be at ManorCare so she could LIVE.

And she did live very contently even though there were good days and bad. We were able to share a small portion of many days during the past three years. Playing BINGO and 500 Rummy; weekly manicures; walking/wheeling through the building; visiting staff and residents; taking time to go outside - weather permitting; sharing stories of days gone by; phoning friends and family; signing greeting cards, and sharing the gossip filled our morning visits.

*Time can bring you down,
Time can bend your knees.
Time can break your heart,
Have you begging please, begging please.*

There is an Eric Clapton song that rings through my head. A few of the lyrics in particular:

*Beyond the door,
There's peace I'm sure,
And I know there'll be no more
Tears in Heaven.*

God Bless the staff at ManorCare, our family and friends.

Sincerely,##imported-begin##Linda L. Gerace##imported-end##
