“ I am Wendy Shaffer niece of Sally Mills.  
She was so awesome and fun. When me and my brothers and sisters were young my mom Pat Shaffer Hyson and my aunt sally and my cousins would ride around in the car laughing and yelling silly things. The funniest was when we would yell, your momma wears combat boots and we would crack up. All it took for our family was silly things but we loved it.  
Just wanted to share a cute story of my Aunt Sally.

“ My Aunt Sally was a wonderful lady,  
My mom Patricia Shaffer called her "mag' she loved her sisters with all her heart. She never left her side until God took her home. My Aunt Sally will be united with my mom, and Aunt Alice Kuhlman. No more suffering no more pain just the love of God.

“ Sally was such a wonderful and sweet person. I knew her while working in the activities department at Southgate Health Care Center. Bingo was one of the games she liked to play and she enjoyed talking to the other residents while sitting near the nurses station in her unit. Sending prayers for comfort and strength during this difficult time.
