

## Sandra L. Keys

December 5, 2022

Sandra L. Keys, 67, of Pittsgrove passed away on December 5, 2022. Born in Philadelphia, Sandra was the daughter of Frank & Mary Hickman Kisiel. She loved shopping, especially watching QVC and shopping with Amazon. And what is the most perfect time of year to do all this, Christmas, and this was Sandra's most favorite time of the year. However, it was not just for the shopping but more important was the time spent with family and friends celebrating this glorious time together. Sandra also taught Hawaiian dancing for a few years.

She is survived by her husband, whom she has been married to for forty-seven wonderful years, Michael P. Keys; her daughters, Mary Walzer and her husband Brian and Karen Ayars and her husband Donald, Jr; siblings, Robin Testone (Shawn), Frank Jr. (Lynn) and Kenneth (Yvonne); four wonderful grandchildren, Branden and Nicholas Walzer and Kayla and Bryce Ayars as well as her beloved pets.

Services are private but the family has suggested that donations can be made in her memory to Wilwynn Animal Hospital, in care of, Dr. Bill, 496 Greenwich Rd., Bridgeton, NJ 08302.
