“ To Kay, George, Wayne - and their families -- I had over the past few years had opportunities to take Aunt Sally's sister Martha over to visit. I have congratulated her when the Phils done well and joked with her about it when they didn't. A sweet lady. Please take comfort in the fact that once the spirit leaves the body, it is free from the earthly pressures of time and space. In this way she can now be a Guardian Angel for more than one person at the same time. She will be smiling down on you and looking out for you always. God bless you all. Cousin Gary.
